The screenshot shows a web interface for setting up a virtual food drive. At the top, there are four steps: 1. Basic Information & Description, 2. Design, 3. Team Fundraising Goal, and 4. Dates. Step 2, 'Design', is currently active and expanded. It contains two main sections: 'Team Image' and 'Banner Color'. The 'Team Image' section has a 'Choose File' button with the text 'No file chosen' next to it. Below this, a note states: 'This image will be cropped to 200 x 200 pixels. It is recommended you upload a square image for best results.' To the right, there is a placeholder for the 'Current Team Image' showing an icon of three people and the text 'No image uploaded.' The 'Banner Color' section features a small black square color picker and a larger 'Preview' box that displays the selected black color with the text 'This is a basic preview of your color choice.' At the bottom of the 'Design' section is a green 'Next' button.
